

DYLAN ROLLO ROTH

Droth0924@gmail.com
225.715.0706
New Orleans, Louisiana

Formally trained as an architect, I have used my spatial and tectonic knowledge to seek out experiences beyond the typical path provided by the profession. From these diverse environments, I have gained an appreciation for all aspects of the built environment - cultivating a passion for spaces that have rich cultural and community heritage. Design done right is a collective act that has the opportunity to highlight the beauty in history and our collective narrative as a society.

EDUCATION	Aug 2014- May 2021	Bachelors of Architecture Minor in Sociology Louisiana State University Baton Rouge, LA
